Sir:

Although a claim for small entity status was made in this case in good faith, through error, the U.S. Patent Office was not timely notified of a loss of entitlement to small entity status as required by 37 C.F.R. 1.27(g)(2). Therefore, in accordance with 37 C.F.R. 1.28(c) Applicant(s) provide(s) payment of the deficiency that is owed.

Calculation of Deficiency owed:

Explanation of Fee Type	Fee Code	Fee Paid	Date Paid	Fees Owed
Utility Issue Fee (1.18(a))	1501	\$700.00	11/07/2006	\$740.00

Total

\$740.00

A check in the amount of **\$740.00** is attached.

Atty Docket No.: TWI-20310

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-1703, under Order No. TWI-20310.
A duplicate copy of this sheet is enclosed.

Respectfully submitted,
